

# Assessment

Rank your understanding of each topic on a scale of 1-5.

1 = I know nothing.

5 = I view myself as an expert.

Topic	1	2	3	4	5
Turning on, checking the battery level, and charging a computer.					
Connecting a phone or computer to Wi-Fi.					
Opening an internet browser.					
Using an internet browser to search for a website.					
Using an email account.					
Using a Zoom account on a phone.					
Using a Zoom account on a computer.					
Using Google Maps on a phone to navigate to a destination via bus.					
Using Google Maps on a computer to find directions to a destination.					
Using Google Maps to find information about a business like open hours and phone number.					

# Student Info

## Goals

What goals do you have for this 5-week course? What skills are you hoping to gain from this course? Write them in the box, below. If you're having trouble thinking of a goal, ask yourself, *Why did I decide to join this course? Have I noticed people using technology in the US that I am unfamiliar with?*
